

End Time Mind Control

BY WIN WORLEY

Chapter 1

End Time Mind Control

The Devil's Counterfeit

To combat the powerful mind control forces generated by the cults and even some Christians, we need to revise our thinking based on standard deliverance procedures. Ordinarily one seeking help is the focal point as workers break curses, bind/loose and cast out spirits. We need to understand the way cults operate. Let us consider the Moonies as an example. Think of them as a string of transmitters (CB's), operating out of a main "*Base Station*." This headquarters is commanded by an evil spirit or an angel of light, who holds a high position in the demonic hierarchy and is directly under very high ranking, extremely powerful Satanic entities.

Failures in deliverance and reprogramming of cultists is caused by a form of Mind Control of which most workers are unaware. This potent cluster includes spirits of Psychic Power, Psychic Prayer, Mind Control, Mind Control Occult and Soul Ties, etc. In its purest form, these spirits attempt to counterfeit the Holy Spirit's ability to communicate with the saints.

During the end times these dangerous and powerful ruling spirits may be used to their highest degree, collecting and directing Satan's followers. This species of Mind Control is not dependent on indwelling lesser spirits to work, although he can harness these to aid in what he is doing.

There is reason to believe that Satan has a way to tamper with and interfere with normal brain wave patterns. By this it is possible to "*call*" a person back into former evil pursuits (**sift as wheat-Luke 22:31**). This is not by a soul tie or by an indwelling spirit prodding or giving instructions. Outside, invisible forces assail a person's thinking to be lead astray. This technique is so sophisticated that at present it seems to be reserved for empowering the cultic movements.

Periodically, Satan uses this form of demonic control through an angel of light to deluded leaders such as Moon and even some in the so-called Christian faith. Dupes are blissfully unaware of this form of demonic control and are oblivious of how or when it is used on them. This demonic energy controls their thinking for the benefit of the cult or organization.

This is a very effective way to keep people in line. Certain personalities are more susceptible to this than others. Transmission of this demonic control will be stepped up and highly intensified during the end times.

When praying deliverance for ensnared cultists, nullify present and future sending patterns. We must pray to prevent that power from attacking those seeking deliverance. An intensified binding and loosing campaign to attack the ruling spirits can prevent or at least hinder those interfering Mind Control spirits.

Although we cannot take away this Satanic ability, we can prevent (**hinder**) or scramble the adversaries attacks against us. End Time Mind Control spirits can be almost invincible unless confronted by believers armed with superior weapons and tactics such as binding and loosing, breaking curses, etc.

When you pray, surround the person getting prayer with guardian angels while working with them. Seek to cast out all the spirits mentioned above. Then move against all other spirits that are discerned.

It probably would be wise to go through the whole list of connections from Satan to Moon; underlings; local leaders; the local church and close friends in the movement.

Be sure to take extra care to break any and all evil soul ties with members or friends to whom the individual has had associations. Remember that each person involved in a cultic system becomes a mini-sender and/or receiver for these spirits. You are not, at this point, breaking bands nor cutting ties,

but sending angels to block the demonic waves of reinforcing power.

Claim, pray for restoration and healing for any damage to normal brain wave patterns which might have resulted from this bombardment. Pray that this person's mind, will and emotions to be restored and that this person be sealed off from Satan and empowered to serve only the Lord Jesus Christ.

Chapter 2

Overcoming Mind Control With God's Spiritual Gifts

This is a list of spiritual gifts from God to man. While some are specifically described as gifts and others are listed as direct objects of various forms of the verb "*to give*". This list refers to verses where the giver is God and the recipient is man.

A tape by Derek Prince stating that there were more gifts than those listed in 1 Corinthians 12 and Romans 12 caught my interest. However, when his count reached 25, he ceased to count. In those days the most enlightened charismatics were still

struggling with those in **Romans 12** and **1 Corinthians 12**.

This research placed in our family a sense of reality in these matters. With laying on of hands by local saints, these gifts were then ministered to my entire family. As a result, several things were set in motion.

Our Christian fellowship group displayed complete disinterest in receiving not only these gifts, but also those of **1 Corinthians 12** and **Romans 12** as well.

Strange things began to happen in our family. Satan's grip on finances began to loosen and musical and academic proficiency developed in our three girls. Two became permanent performers in the Minot Symphony Orchestra upon high school graduation. The third girl played first chair trumpet in the Tri-State Area Band. As a fifteen year old sophomore in high school, she won a piano concerto contest and was a featured soloist through the Minot Symphony Orchestra.

Our valedictorian registered the highest aggregate marks ever recorded in the sixty year history of the high school. She graduated from college with the highest aggregate standing of the graduating class. Thank you Lord Jesus.

Each child read through the entire scriptures at least once. Obviously the Lord was honoring receipting of the gifts. Sensing this, I taught, exhorted and strongly admonished our fellowship to receive them.

Still they refused to pick up on this message.

Encouragingly enough, the development of their spiritual life paralleled that of their intellect. I still tried unsuccessfully to urge upon our fellowship the need for these gifts. By this time I had become concerned for them and was aware of a determined enemy resistance against the entire concept.

The Lord moved again and our eleven year old son, without previous keyboard experience, began to play the organ. We skipped all preliminary literature, starting with Bach's major works, (**e.g. Toccata and Fugue in D Minor, Franz Liszt's Variations on a Theme of Bach**), all without formal instruction.

Remember, the only musical background he had was playing clarinet in the junior high school band. It was clearly miraculous, yet observers remained blind to the value of those spiritual gifts. *"The gifts of God are for every man to profit withal"* and *"The children of the righteous shall be mighty in the land."*

I realized that I was in the center of a real battle. While exhorting the fellowship toward those gifts, I bound evil spirits which would work to hinder our fellowship. One group I called the *"dirty dozen"* is found in **chapters 2, 3 and 4 of Hebrews**. I also bound spirits of Darkness and Gross Darkness (**Isaiah 60:2**) but with little results.

By this time I had two discussions with Pastor Win Worley in which he described the unusual difficulties all deliverance workers were having trying to expel an evil spirit called Mind Control. He seemed to be ranked at the top of the occult-witchcraft hierarchy.

Twenty-four of our group journeyed to Hegewisch for a deliverance workshop. We were edified personally and as a group. Upon our return I again mentioned the spiritual gifts, but still had no takers. Recognizing that only Mind Control would be strong enough to survive five years of sustained pressure, twenty of us joined hands agreeing to bind the “*dirty dozen*” plus Darkness and Gross Darkness. This time we also bound the evil spirit of Mind Control.

When this was done, I asked, “*Anyone want the spiritual gifts on this list?*” - “*Certainly! Why Not? They’re scriptural. Let’s get the job done.*” Again we all joined hands and received all of those gifts. It was as simple as that.

Mind Control is almost certain the prime root cause for failure and refusal to ask for spiritual gifts. Pastor Worley's **Host of Hell** series identifies Beelzebub as interfering with their correct operation in Christians who possess them.

Be warned that binding Mind Control so as to gain an advantage over him can sometimes be easier than expelling him from someone. We received valuable insight into

the means by which a believer is enabled to recognize the need to ask for and receive spiritual gifts. To assure the free flowing receiving and using these gifts it is necessary to bind, rebuke and cast down Mind Control beforehand lest he hinder the entire process.

We did run into some serious problems, however. Through some break in our defenses, my concert pianist daughter began to go blind, and at an alarming rate. Consultation from competent medical men and the Lord arrested the process of the disease, but left her with a real visual handicap.

The stunning swiftness, savagery and effectiveness of this attack so alarmed me that I went into formal intercessory prayer.

During one of these sessions I asked Jesus to reveal the primary root cause of the eye disorder. It was coupled with medically un-treatable migraine headaches. The Holy Spirit showed me visually a very clear picture of either a squid or an octopus like creature. I was unable to tell which from their appearance.

This opera singer underwent deliverance in the Hegewisch July, 1981 Workshop with a number of well-trained workers. During the process her spiritual eyes were opened and she saw the menacing form of a giant octopus or squid.

Through all of this I felt God was making an important revelation to us.

In the book **Transference of Spirits**, extracts from **Numbers 13:26-33** and **14:1-2** recount the story of the twelve spies sent to spy out the promised land.

Scripture records that, following that evil report all Israel retired to their tents, where they wept through the whole night. This indicates that the transferred evil spirits unleashed and controlled Sadness, Grief, Discouragement, Depression, etc. It is highly suspect that Mind Control is acting as controller here too.

To summarize: evidence has been accumulating from experience, linguistics and the Word of God, that Mind Control is an extremely powerful spirit in the realm of the occult.

To combat this deadly foe we must bind, loose, and ask our Heavenly Father to impart to us from heaven all the tools, weapons and His mighty warrior angles that we need to do battle against this formidable enemy.

More Information

About End Time Mind Control

As the years clock by and we move closer into the End Times, Satan and his foes are on an all out campaign to control the minds of everyone they can, especially Christians. It should be no surprise to Christians that this is happening. Unfortunately most believers are asleep at the wheel. God's Watchman have turned into dumb dogs that won't bark. Why is this? Why are so many Christian Leaders silent about the rank error and false doctrine that is being perpetrated upon the church? Many of these so-called leaders have access to Radio, Television or some other form of mass communication media and all you hear from them is how wonderful things are. How you have some kind of purpose in your life, or even worse, if you send them a couple of dollars, they will send you offer number 12345 which contains some kind of voodoo or witchcraft that is suppose to make you closer to Jesus. What has happened here?

Satan and his minions have been using Mind Control throughout the ages to control those that are in charge, make decisions or are in some form of leadership. These powerful spirits are working '*sight unseen*' behind the scenes in Government,

Academia and most important, the Church. These Mind Control spirits are so powerful they actually control both sides of issues without anyone ever catching on that not only are we sheep being lead to the slaughter, but are actually paving our own road to that slaughter.

We have the '*Hegelian*' principle of dialectics (**Mind Control**) working in most aspects of our lives so that we NEVER catch on to their demonic plot and plans.

Here a few examples of how this many headed monster called Mind Control works.

1. Do you think the teachings of Word Faith increase faith? In reality Word Faith destroys faith because it is a metaphysical religion that is based on the power of your words and not the power of God's (**Faith**) Word. So why does it seem to work for all the so called leaders of this false movement? Simple. The Spirit of Mind Control and other spirits have you send them money telling you that you will find favor with God. You send them your hard earned money and all that happens is that they get richer and you get poorer. Money can't buy favor with God. Nonetheless, you see it working for them and not you. So after awhile, you get discouraged, upset, etc and give up. Satan has played both sides of this situation without you ever suspecting a thing. Word Faith is no different than running down to the local Catholic Church

and *'buying'* a mass or lighting a candle for someone. The only way you can have favor with God is to have a RIGHT relationship with Jesus Christ.

2. The Spirit of Mind Control is also working in this so called *'new thing'* that God is supposedly doing in the church. Mind Control is deceiving many believers today into believing that God is raising up Super Apostles and Super Prophets in these end times to help lead the dumb and ignorant...us. The Mind Control Spirits work like this. Because the church is so divided today by so called *'doctrinal'* issues, God is raising up a new breed of Christian that is going to convert the institutions of Government, Academia and of course the Church. Their goal is establish the Kingdom of God on this earth. The main goal is to move the Pastors, the ones who are not allowing the so called Apostles and Prophets in the church out of the way. The Spirits of Mind Control are playing both sides against the middle to achieve their goals. And sadly, most Christians either don't care or don't want to become knowledgeable of how to fight this powerful group of spirits.

And interesting side note here. Many of these new leaders that you see on Television believe there is MORE to the bible than what is already written. Hard to believe? Maybe the Spirits of Mind Control have you believing the same thing and you don't even know

about it. If you believe in '*Revelation Knowledge*' the way that the Word Faith crowd teaches, you have bought into this lie. Many of the '*Big*' leaders today teach that God is revealing things to them that are extra biblical. This means you won't find them in the bible. Oh sure, they sound good and right. However, God is not revealing anything NEW today for us. Satan and his demons are revealing this. Everything that we need to fight demons and live a godly life for Jesus Christ is already written in the scriptures.

Chapter 6

False Prophet in the Heavlies

There is a Spirit of the False Prophet in the heavlies who attacks deliverance. His job and authority is very broad and includes his ability to pass false judgment and statements of evil purpose over the believers with genuine ministries. He is the Satanic counterfeit of the true Biblical office of proph-et. From the heavlies he can reinforce and give strength to lesser spirits of False Prophecy, False Prophet and all other counterfeits of the true gift of prophecy.

This demon ranks very high among the Witchcraft spirits, although at times he may seem be performing under a religious influence. When working against the body

of Christ in this particular way he will marshal all the evil spirits in a chosen individual to turn him into an “*accuser of the brethren*”. Included in this work there may also be spirits of Error, Heresy, Witchcraft, Deception, Lying, Mind Control, False Prophet, False Prophecy or other religious spirits working.

These demons will take the spoken judgement their leader has placed over a life and ministry and affect and twist the thought patterns and decision making processes of the individual about to become the “*accuser*.” Once grounds has been given by the person (**the accuser**) to allow this type of slander to invade the body, spirits, of Leviathan, Pride, Slander, Backbiting, Dissension, Division, Strife, Jealousy, Accusation and Maligning the Flock come into the accuser’s life. They will do the actual speaking out against the Christian or ministry being accused and attacked.

To counteract these tactics, dispatch angels against the False Prophet in the heavens under Witchcraft. Curse him and put him on notice that everything he does to a bonafide ministry or Christian will return to him and Satan’s work two for one. Send angels to enforce this.

For those hit by the attack, binding and loosing should precede the proposed speaking date, binding all the above mentioned spirits. This, because of the False Prophet’s

power and abilities in the heavenlies. In person, either from the pulpit or over every individual seeking personal deliverance, bind up any yet undelivered spirits of Error, Heresy, Deception, Mind Control, Lying, Witchcraft, everything in the realm of the Prophet or False Prophetic utterance and all religious spirits. Tell them that they are forbidden to accept the orders and evil judgments given by the False Prophet, or to in any way attack God's people.

For the individual receiving deliverance, bind up all personal spirits of Slander, Backbiting, Accusation, Judgment, Dissension, Division, Jealousy, Leviathan, Pride, Maligning and Strife. Tell them that they are forbidden to *"speak out"* against God's people or their ministries or they will be punished two for one as above. Throw the False Prophet's plans (**from him down to all his lesser powers**) into confusion and disorder by loosing the spirits of the Lord.

Chapter 7

Spirits from the Heavenlies

Deliverance workers have reported encountering and casting out these spirits associated with the constellations in the sec-

ond heaven. We pass the information on to workers in the hope it may prove helpful in their battles with the evil spirits.

Which maketh Arcturus, Orion, and Pleiades, and the chambers of the south. (Job 9:9)

1. **Arcturus** -- can be a hereditary spirit which opens the door for: doubt, fear, worry, unbelief and skepticism. Workers report that it attaches itself to the back of the head with many tendrils. These attack the nervous system and cause nervous disorders ie., ulcers, nervous stomach, colitis, diarrhea, constipation, headaches, shaking, palsy and even paralysis.

Like the Portuguese man of war its tendrils sting or short circuit the nerves so they overload and over react. It is a Strongman or Ruling Prince. It can be over an individual or a church body, like a giant Jelly fish, tendrils reach down and activate or charge-up the smaller ones on peoples' heads.

This was seen in the spirit and later verified in many deliverance sessions. It can be forced to leave and angels can be mobilized to pull them out in Jesus' name.

Canst thou bring forth Mazzaroth in his season? or canst thou guide Arcturus with his sons? (Job 38:32)

2. **Mazzaroth** -- means the signs of the Zodiac. These demons come in at birth, different ones under the different signs. One named Mazzaroth attaches himself to the

middle of the back and causes a variety of back problems. Involved is an open door of the sin of religious error, a mind control spirit who is an expert liar. He is also a heredity spirit from false religions stemming from antiquity back to Cain. He resembles a giant centipede with a large head, many teeth and a long tail armed with a stinger.

3. **Taurus** -- comes in through sins of the tongue and causes glandular defects throughout the body. He looks like a black bull with a long tongue shooting forth light and knives and his nostrils breathe fire.

4. **Mars** -- a warring, hereditary spirit from Adam. He enters by way of rebellion, foments sedition, treachery, treason, hatred, violence, all wars, strife, division, destruction, etc. He can precipitate high blood pressure, strokes, etc. A large red monster with flaming eyes, he sports two sharp knives for hands and oozes blood all over his body. An extra eye is over the right eye.

5. **Betalguese** -- can be hereditary or come in through emotional instability, trauma, or fears, and causes moodiness. He uses many supporting spirits: Tears, Sadness, Stress, Depression, Silliness, Giddy, Talkativeness, Jittery, Nervousness, etc. He can transfer quickly from one to another and seems to affect women just before their monthly period. Men are not exempt from moods of grouchiness, argumentativeness, unrest,

etc. The *open door* may be failure to rest in the Lord, letting anxiety, fretting, complaining, murmuring or faithlessness rule over him.

6. **Marticus** -- causes nearsightedness because the eyeball is not shaped for proper focus on the retina. This is also true in the spiritual realm, producing spiritual myopia. When given a truth, the spiritual eyeball receives a *bigger-than-life* image, which overwhelms the spiritual mind and is unable to comprehend.

Chapter 8

The Battle With Cigarettes

Deliverance from cigarette smoking is difficult to achieve. Believers often fail to realize how it is used to hinder spiritual progress. Most readily acknowledge smoking as a bad witness and example, and that we should respect our bodies as the temples of the Holy Spirit.

This habit is far more spiritually restrictive and destructive than it might seem to be. Only after deliverance from it and time spent in a smokefree atmosphere, does the breaking of the spiritual as well as the phys-

ical bondage of smoking begin to be clearly evident.

A powerful ruler spirit of Depression is associated with smoking. Smokers will receive no significant or lasting deliverance from him, for the spirit is fed daily. The joy, zeal, and spiritual sharing activity God purposes for His children is dampened and dulled for every nicotine addict. The victim exists in a continuous, mildly narcotic state of mental heaviness which limits his participation. Repeated failures to break the habit leave devastating guilt and shame problems behind.

Spirits of Confusion and Mind Control introduce psychological hindrances and a spirit of Heaviness. Being forced to be in a smoke-filled atmosphere can also affect non-smokers with these same spirits to a degree. How much will depend on their tolerance and susceptibility.

A medical clinic which tested people for some allergies to nicotine learned some interesting facts. Although some show such an allergy, they still smoke several packs a day. Their bodies require the systemic response induced by the introduction of the nicotine. The effects of the habit such as elevated blood pressure or chemical change are considered normal by their body. This then would be an allergic spirit which craves and constantly demands nicotine!

There are also claims that the desire for nicotine heralds a true need of the body for another substance or mineral which it is not receiving in adequate amounts. Children eat dirt, chalk, crayons, glue on books, etc. Tests have proven that this is an abnormal demand for deficient minerals in their body.

This indicates that in some cases deliverance workers are no longer dealing with the spirits normally associated with smoking (**Craving, Addiction, Nicotine, Puffing, Smokestack, Cigarette, etc.**). We must attack an allergic spirit which desires nicotine. Removal of this spirit might well make it possible for the body to return to normal, minus the nicotine. Since it could be an allergy, perhaps an object in the home locks that allergy spirit in place (**Annihilating the Hosts of Hell, Vol 2**).

The Grand Pipe or Pipe of Peace was first observed among the Indians of the upper Mississippi country by the French. They called these pipes "*Calumets*." According to the Indians, those behind the pipe possessed power to make the world a better place in which to live.

There was a ritual associated with the pipe and the underlying idea was a bond of brotherhood. The presence of the Calumet or Pipe of Peace was to cause a softening of hearts and unite those present in a binding pledge to a bond of friendship. It was not

only a symbol of peace and brotherly love but a “*charm*” to compel it.

The entire world learned of the use of tobacco from the Indians. Smokers today are paying silent and unconscious tribute to the ancient aboriginals. Historically, the Calumet was considered a sacred pipe to offer smoke to the demon gods above and below. Tobacco was looked upon as a sacred plant and burning it brought favor in the eyes of the gods. Even a member of an enemy tribe who entered a house and smoked with the host, was guaranteed protection and safe conduct when he left.

Several Indian tribes burned incense for a purifying medium or an acceptable offering to the unseen. Some eastern tribes did not smoke a pipe in a sacred ceremony but burned the tobacco in a small fire. This smoke offering was believed to ascend to the powers to whom they prayed.

As the use of tobacco as an offering to the gods continued, it was rolled in corn husks, the predecessors of modern cigars and cigarettes. Inhaling the smoke was incorporated into the rituals and both the smoke and the aroma continued to have a serious place in the religious rituals and ceremonies.

Chapter 9

The Dangers of Lamaze

Woman, 28 Years Old

Late one evening I was reading an article about evil spirits which can come in through use of the Lamaze childbirth method. My three year old son began to cry out in his sleep. When I went to him I was unable to rouse and awaken him.

Immediately, I picked him up and began to break curses and command all spirits from the Lamaze method to come out of him. I confessed my sin in becoming involved with this method and anointed myself and the child with oil. Instantly he stiffened but was still unable to respond verbally to simple questions.

I called out as evil spirits things named in the article. They included: Ontogenesis; Psychotherapeutics; Mesmerism Hypnosis; Prophylactic; Psychoprophylactic (**to suppress pain through the mind**); Phytogenesis (**the evolution or ancestral history of a race or a group of animals**); Pathogenesis (**the development of morbid conditions, also the production of symptoms of a disease by use of drugs**); Mind Control from the Womb; Behavior Modification; Evolution; Hypertension; and both Excitatory and Inhibitory

responses of Body, Mind, Digestion, Glands, Muscles and Blood Vessels.

My son reacted even more strongly when I called out: Deceit; Deception; Lying; Counterfeit Birth; Anti-Christ; Eastern Religion and Occult (**from use of the lotus position**); and Rebellion to God. I broke ungodly soul ties between us and our Lamaze instructor.

The child opened his eyes and relaxed upon my shoulder. When I asked if he felt better, he said he did. He drifted into a peaceful sleep while I went through our books and set aside all Lamaze articles to be burned.

The following Thursday, I went for prayer at Hegewisch concerning these same spirits. Mind Control over Pain; Mind Manipulation; Self Manipulation; Ungodly Self Control; Fear of Pain; Pavlov; Charles Darwin; Evolution; and Behavior Modification were discerned and cast out.

Oh, what a difference! My mind became clearer and freer to think and convey thoughts and ideas. My heavy oppression and confusion were gone and I was able to believe God's Word on childbirth. Although my husband and I had studied many scripture verses on childbirth, tradition and fear had overruled our thinking.

And the midwives said unto Pharaoh, Because the Hebrew women {are} not as the Egyptian women; for they {are} lively, and are delivered ere the midwives come in unto them. (Exodus 1:19)

We had always believed that the Lord delivered Hebrew infants quickly just to save the male babies from being killed. **(Recently, a Christian friend delivered a baby at home with a midwife in only two hours).**

In our Lamaze class we were taught various exercises, including the Yogi lotus position **(used in transcendental meditation and karate)**. One entire session was used to prepare the couples for the possibility of a Caesarian section. Our instructor said, *"Some of you are saying it won't happen to us, but at least one couple here will have a C-section."* My husband and I looked at each other and declared confidently, *"It won't be us. We are Christians and know about deliverance."* However, out of our class of fourteen couples, we were the only one to have a Caesarian. Later I discovered my maternal grandmother also had a C-section. This inheritance, coupled with fear, probably allowed the curse to operate and take effect.

My pregnancy was uneventful and without any type of complications *until we entered a Catholic hospital*. My labor was progressing rapidly when suddenly the baby's heart beat dropped dangerously low for an extended period. Fifteen minutes later, I was in surgery and had a new son. The doctors and nurses were amazed at our baby's excellent condition. He was able to go straight to the regular nursery instead of

into Special Care where all Caesarean section babies were routinely placed.

My husband laid hands on me, bound all pain and loosed healing into my incision. Three days later, the doctor sent me home, although most women must stay seven days. The nurses knew we were “*fanatics*” and thought I was just trying to bear the pain. Actually I was not being brave, I simply did not have any. Praise the Lord!

During the early beginnings of Lamaze, hospitals refused to allow husbands in the delivery room who had not taken the courses. This forced the couple to go to the classes, but this rule no longer prevails.

The methods underlying Lamaze were devised in communist Russia and were based largely on *Pavlov's behavior modification* research. He believed that only a single ion pulse (**pain, pleasure, etc**) could travel through the brain at a time. Therefore, if you thought about something else you would not feel the pain in childbirth.

Mind control works on this same concept and is being widely used now to treat patients who suffer incurable pain. Pavlov was a student of Charles Darwin, the father of the theory of evolution. It is not difficult to see the demonic roots in this so-called “*natural childbirth*” methodology.

There is probably merit in the muscle exercises which are taught. The danger in Lamaze lies in the deception, lying and false

assurances of its claims to make labor and delivery easier. Oddly enough, *they strongly reinforce the idea that a long delivery is usually painful and no less than fourteen hours long.* God's Word declares:

Surely he hath borne our griefs and carried our sorrows... (Isaiah 53:4)

The Hebrew word translated griefs here means disease, grief, sickness, infirmity and women in travail; **sorrows** is a word which means anguish, affliction and to feel or have pain.

Christ hath redeemed us from the curse of the law, being made a curse for us. (Galatians 3:13)

Unto the woman he said, I will greatly multiply thy sorrow and thy conception; in sorrow thou shalt bring forth children; and thy desire {shall be} to thy husband, and he shall rule over thee.

And unto Adam he said, Because thou hast hearkened unto the voice of thy wife, and hast eaten of the tree, of which I commanded thee, saying, Thou shalt not eat of it: cursed {is} the ground for thy sake; in sorrow shalt thou eat {of} it all the days of thy life; (Genesis 3:16-17)

Here sorrow means to toil and work for; to give oneself; to give up something we would like to keep.

“And it came to pass in the time of her travail, that, behold twins were in her womb.” (Genesis

38:27) To **travail** means to bear young; to beget; bear; bring forth; the time of delivery.

A woman when she is in travail hath sorrow, because her hour is come; but as soon as she is delivered of the child, she remembers no more the anguish, for joy that a man is born into the world. (John 16:21)

Travail is to bring forth a child; **sorrows**: a state of emotions, absorption in task, not wanting child to leave womb, anguish, pity, regard, applying pressure, compressing together, as in squeezing out the grapes or in pushing someone out of place.

“Blessed is the man that walketh not in the counsel of the ungodly.” (Psalm 1:1) Believers are warned against going to unbelievers for counsel (**1 Corinthians 6:1-6**).

“The Lord promises to save the woman during childbirth providing they continue in faith, charity, holiness, and sobriety (honorable).” (1 Timothy 2:15) Jacob’s favorite wife, Rachel died while giving birth to Benjamin.

And it came to pass, as her soul was in departing, (for she died) that she called his name Benoni: but his father called him Benjamin. (Genesis 35:18)

She had stolen the household images from her father when she left with Jacob to return to his home. Jacob was unaware of this as he pronounced the curse on whoever had done the deed.

And Laban went to shear his sheep: and Rachel had stolen the images that {were} her father's.

With whomsoever thou findest thy gods, let him not live: before our brethren discern thou what {is} thine with me, and take {it} to thee. For Jacob knew not that Rachel had stolen them. (Genesis 31:19, 32)

God, creator of the universe, is well able to deliver the child He created in the womb.

By thee have I been holden up from the womb: thou art he that took me out of my mother's bowels: my praise {shall be} continually of thee. (Psalms 71:6)

Shall I bring to the birth, and not cause to bring forth? saith the Lord: (Psalm 22:9)

Hearken unto me, O house of Jacob, and all the remnant of the house of Israel, which are borne {by me} from the belly, which are carried from the womb: (Isaiah 46:3)

I am so thankful that the Lord revealed the dangerous snare of Lamaze to me. Once again I realized how critical it is to know God's Word thoroughly. Only then will we be able to discern evil, even when it is hiding under a cloak of goodness. Thank you, Lord Jesus, for your truth which sets us free, free, free!

Chapter 10

I Thought I Had Blasphemed the Holy Spirit

Man, 27 Years Old

After accepting Jesus Christ as my Lord and Savior, I decided to go to the Methodist Church my family attended. As I began to read the scriptures I had difficulty staying with it or understanding much of it. I got a Bible study started among an adult singles group at the church, hoping this would help. This was still pretty confusing because each had his own ideas about what the Bible taught. My own questions were still unanswered, yet I knew that much of what the others were saying was not right.

Still searching for what I was not receiving at my church I watched the Chicago Christian TV station. After hearing a sermon on blaspheming the Holy Spirit, I became terrified lest I might have blasphemed and lost my salvation. Thoughts would suddenly dart through my mind, "*The Holy Spirit is of Satan.*" Because I was unable to curb or stop these thoughts I feared this meant I was not born again.

I phoned the pastor's daughter and explained the situation. She invited me over

so she and a professor friend could talk with me. He explained that blaspheming the Holy Spirit was not done accidentally; also that sins of ignorance could be forgiven. He also told me that once they had prayed for me and cast out Satan I would then be on my own to work out my salvation. I was to resist evil thoughts, refusing to let them even pass through my mind.

I was anointed with oil as they laid hands on me and began praying, sometimes in tongues. My knees were trembling and I felt lightheaded and silly. They announced that Satan had been cast out and that I was now baptized in the Holy Spirit. They warned me that I must be on guard and never to blaspheme again. I asked how I could be sure that the Holy Spirit was speaking and was told that I would have to find out for myself. I was to just read the Bible for I needed no one to teach me.

I was warned to avoid groups which dwelt too much on casting out demons. I was a bit puzzled, wondering how we could fight Satan effectively if we did not know about him or how to fight. However, because I was trying to learn I assumed that my counselor must be right. Certainly I did not want to lose my salvation! I left the place on cloud nine, but this did not last.

On the sixty mile drive home I turned on the radio to listen to a preacher. I was so high I was not listening too closely

until he mentioned the devil. Immediately I once more became concerned about the blasphemy of the Holy Spirit. The thought flashed in my mind, "*The Holy Spirit is of Satan.*" Surely now I had committed the unpardonable sin! This plunged me into an indescribably deep despair. However, I still could not fully believe that Lord would take away the salvation that He had already given to me.

Certainly there would be no help at my church for they would not understand. Reading E. W. Kenyon's pamphlet, "*Two Kinds of Knowledge*," only seemed to confirm that I was indeed lost. **(E. W. Kenyon's writings contain many serious errors and we advise avoiding them and the confusion they engender)** Reading the Bible seemed hopeless. I visited other churches in the area but was unsure of them and feared what they might think if they knew what I had done. I cried out to the Lord and begged for help.

Four or five months passed and a new secretary was transferred to the office where I worked. She was a Christian and shared with me about demons being cast out at Hegewisch Baptist Church. I was still concerned about what my other friend had warned about avoiding deliverance people, so I was not sure about her.

Some time later my company sent me to a weeks training school. The first day I arrived early and a man sat down across the

table from me, pulled a small book from his pocket and started reading. When I asked if it was a Bible, he nodded and asked if I was born again. When I said I was, he asked where I went to church and I told him. When I inquired about his church, he said he went to Hegewisch Baptist. I was overjoyed. Perhaps God had indeed answered my cry for help and my friends had been wrong.

I purposed to go to the Deliverance Workshop and see for myself. It was a struggle to get there because of some fears and other circumstances which tried to keep me away. During the messages there, scriptures previously read suddenly began to make sense. Now it became clear that I needed deliverance although I was still troubled and fearful about the unpardonable sin. I was also apprehensive about what would happen during deliverance if these people learned that I had blasphemed the Holy Spirit.

I cannot remember what Pastor Worley called out during the mass deliverance. However suddenly I became numb and started to shake violently, with my hands curled up and clenched into fists. As I pitched over in my seat guttural growling sounds gurgled from my mouth. Workers placed me on the floor and prayed for a long while, however the manifesting spirit refused to leave.

I kept thinking it must be because of the unpardonable sin. When a worker asked if I knew what the problem was, I told him that I thought I had blasphemed the Holy Spirit. Immediately he opened the Bible and read: *“And grieve not the holy Spirit of God, whereby ye are sealed unto the day of redemption.”* **(Ephesians 4:30)**

The demon reacted, roaring viciously. Before finally leaving, he exploded with rage and fought bitterly. When I vomited violently some substance came up which was not food. Although extremely exhausted, I felt great! Praise the Lord, that awful spirit which had frightened me so was gone! After all my searching at last I had found the church where God wanted me to be.

Now I am growing in Bible knowledge and learning how to walk with the Lord. There have been other sessions of deliverance since then. Like everyone else there I am very actively engaged in various aspects of the outreach ministries of Hegewisch. Especially I enjoy applying what I have learned to help free others from demonic bondage during the regular services of the church.

God Wants You to Know That...

1. You are a sinner and cannot save yourself.

“For all have sinned and come short of the glory of God.” (*Romans 3:23*)

2. Acceptance or refusal determines your destiny.

“He that believeth on the Son hath everlasting life: and he that believeth not the Son shall not see life: but the wrath of God abideth on him (*John 3:36*)

“How shall we escape if we neglect so great salvation.” (*Hebrews 2:3*)

3. You must repent of your sins, confess them and forsake them.

“If we confess our sins, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness.” (*1 John 1:9*)

“Whoso confesseth and forsaketh them {his sins} shall obtain mercy.” (*Proverbs 28:13*)

4. Jesus Christ has already provided the way of salvation.

“For God so loved the world that He gave His only begotten Son that whosoever believeth in Him should not perish, but have everlasting life.” (*John 3:16*)

“For Christ also hath once suffered for our sins, the just for the unjust, that He might bring us to God.” (*1 Peter 3:18*)

Preparations to Receive Deliverance

One of the best preparations you can make before receiving deliverance is to carefully read the books and booklets in the Hosts of Hell series written by Pastor Win Worley. This will save a great deal of explanation regarding methods and approaches used in deliverance. Fasting one or more days, coupled with intense Bible study and personal prayer immediately preceding a deliverance session has also proved to be a valuable aid. Those who have followed preliminary steps of renunciation prayers, etc., outlined in the books usually are ready to move directly into deliverance. For those new to the deliverance ministry we would recommend the “Deliverance Starter Package”. It consists of the following 13 booklets: “Warfare Prayers (#4), Binding & Loosing/Curses and Soul Ties (#5), Invading Enemy Territory (#6), Inviting Demonic Attack (#8), Holding Your Deliverance (#9), Getting Started in Deliverance (#11), God’s Plan for Leadership (#14), Demonic Deceptions (#15), How Demons Operate (#16), The Curse of Jezebel (#17), The Satanic Cosmos (#18), Sins of the

Fathers (#24), and The Fragmented Soul (#26).”
